Report for the Year 1944.

THE past year, which marks also our 60th, has been one foreshadowing changes. The Government is considering the health of the Nation in all its aspects, and legislation may take place affecting the Voluntary Hospitals, which to say the least have no need to be ashamed of their achievements. Medical science advances, strides have been made in combating disease and our Hospital recognises its duty in doing everything possible to co-operate and minister to those who require its services. In Halstead we have done our best in this great work, and the whole of the district has, during this 60th year, shown its interest in a manner which greatly encourages those who are responsible for the Hospital. The Finances are in a stronger position than ever before, stronger even than were anticipated. £700 has been added to the Reserve Fund, which will be greatly needed when Renovations and replacements can be carried out under Peace conditions. The Investments have been increased by further Legacies, viz., £100 from the Exors. of the late Mr. John Hardy and a further £78 from the Exors. of the late Sir W. J. Courtauld. Gifts have been received from the League of Mercy £100; Pound Day £132 13s. 0d.; Linen League £49 18s. 10d.; and Alexandra Rose Day £119 2s. 4d.

The Children's Ward Fund has been increased to the extent of £38 4s. 9d. by the proceeds of an Earls Colne Dance. Our thanks are tendered to Mr. H. C. Witney and our many loyal Colne friends.

Our equipment has been augmented by the gift of a Duro Ray Lamp, presented to us in memory of the late Mr. C. H. Morley by Members of the British Legion and High Street Club.

An Infra Red Lamp and other equipment has also been obtained for the Masseuse. A 10,000 gallon water tank for War time protection has been erected near the Hospital by instructions from the Government authorities.

Mrs. Maytham has resigned her position of Honorary Masseuse. The importance of the work so splendidly begun and and carried on by her for a period of three years has been fully recognised and is being continued by the appointment of a part time salaried Masseuse. Very warm thanks are tendered to Mrs. Maytham for so ably carrying on this branch of work and alleviating much suffering.

Dr. S. M. Richards has been elected on the Medical Staff and Mr. I. A. Ogilvie appointed an Honorary Consulting Surgeon.

It is with profound regret that we record the death of Capt. G. D. Nott, who was killed in action. As Honorary Secretary he has rendered the Hospital great help and his work was highly appreciated. Mr. Ronald Long has kindly consented to fill this post.

Another sad loss was sustained by the passing of Canon T. H. Curling, who was one of our Vice-Presidents, and who keenly interested himself in the work of the Hospital for many years as Chairman.

Grateful thanks are accorded to all who have given their contributions and services to our work, and to the Matron and her Staff who have worked through a most difficult period and maintained the work with every efficiency.

Medical Officer's Report.

“In science men collaborate not because they are forced to by superior authority or because they blindly follow some chosen leader, but because they realize that only in this willing collaboration can each man find his goal.”

J. D. BERNAL.

For “science” the word “nursing” might be substituted with equal truth. Throughout a year of unprecedented staffing difficulties the highest standard of nursing has been maintained in our hospital; for the care shown to their patients and for the unfailing courtesy to themselves, the Medical Officers gratefully express their thanks to the Matron and her Staff. The services rendered by the members of the British Red Cross Society and the duties they have performed, both night and day, are greatly appreciated.

STATISTICS.

No. of Patients	620
No. of Treatments	798

Contributory Scheme Report.

This is the first year during which separate accounts have been kept for the Contributory Scheme. It appears that the additional 1d. contribution will have the effect of placing the funds on a sound financial basis. The Committee are already in the happy position of being able to consider the possibility of increasing the benefits of the Scheme. Many members have expressed their gratitude and the Scheme is becoming yearly more popular.
